

Special Programs

We will gladly arrange special itineraries tailored to the needs of your clients. The following information will help us to put together a special program for you.

- A rough schedule of dates and cities you would like to visit
- The number of participants (a minimum of 15 is needed to get a group rate)
- Points of interest you want to emphasize
- Requested budget per person

The better the information you provide, the sooner and more accurate the price will be when given. Please note that special program deposits can vary from our terms in our information and condition paragraph.
